BLDE Association – An overview

The BLDE Association is a premier educational organization in north Karnataka, founded in 1910 with the purpose of spreading education on the model of Deccan Education society of Poona in Bombay province. Today it has grown into a Banyan tree sheltering under its spreading shady branches several institutions in various fields. In fact it is mini university dreaming of deemed University status. It is running more than 46 different institutions in Bijapur city comprising of about 25 schools and colleges in a land area of about 100 acres.

It began in small way by running a High School handed over to it by German mission which was leaving the country on the outbreak of first world war. The Association opened its first collegiate institution in 1946 under the Bombay University. When it moved over to its new campus of 54 acre land area, the Bangaramma Sajjan campus; it brought a new dimension in its vision. It added Commerce College, SB Arts and KCP Science College, New Arts College The list goes on and on. Engineering, Medical and Education colleges were later on added to this list which become colorful feathers in the cap of B.L.D.E. Association. The Association did not confine its functioning to Bijapur city alone. It felt the need of spreading education in the other rural areas also and degree colleges came up under its umbrella to cater to the needs of rural areas also and urban masses.

Late. Dr.P.G. Halakatti popularly known as “Vachana Pitamaha” was responsible for the establishment of BLDE Association in 1910 with support of Philanthropists and local leaders. His Holiness Sri. Bathanala Sangana Basva Swamiji blessed and graced by steering forth for the growth of organization in the second phase.

The Association achieved the multi faceted development in all spheres by the untiring services of Late Sri B.M. Patil, the visionary General Secretary of the Association and late ex-Vice President of India Sri B.D. Jatti and late president of the Association Shree. B.S. Patil (Kumate).

The architect of the Association in recent years Sri M.B. Patil, the president of the association and former Member of parliament is leading the institution now with utmost enthusiasm and dedication , with the support Sri M.A. patil and Sri .B.R. patil the vice president and Sri \. G.K. patil M.L.C.the general secretary and other members. He has left no stone unturned to make this organization into premiere educational institution in Karnataka state.

The Association has a genuine concern and earnest Endeavour to provide 'Quality education' Its Engineering College, Medical College and college of education are considered as one of the best of their kind in the state of Karnataka.

The most happiest moment for all those connected with B.L.D.E.Association was when it was declared as B.L.D.E. University. The university now is on its way to be one of the best in the country for imparting quality education to the students.
