About B.L.D.E. Association.....

B.L.D.E. Association is a renowned educational institution in north Karnataka. It has a network of several institutions like degree college, P.U. College, High School and professional institutions like Medical, Engineering, Business Management & Physical Education Colleges, School of Nursing, School of Art, etc. under the enterprising stewardship of Dr.M.B.Patil President, the Association is taking utmost care to expand the institution quantitatively as well as qualitatively.

J.S.S. College of Education – A glance....

The College of Education was established by B.L.D.E. Association in 1980, and affiliated to Rani Channamma University Belagavi. The college was the brain child of late Sri.B.M.Patil, a farsighted visionary, the then General Secretary of the B.L.D.E. Association. The College came into being under the leadership of Prof.N.G.Karur, the founder principal of the college. Present Principal Dr.B.Y.Khasnis who has elevated this college to greater heights by bringing name & fame to the College.

The College was renamed as Jnanayogi Shri Siddeshwar Swamiji College of Education in 1995. IGNOU Study centre was established in 1990. Permanent affiliation was granted by Karnataka University Dharwad in 1993 and Rani channamma University in 2021 and NCTE accorded recognition to the college in 1996. The college was brought under 2F and 12B of UGC act in 1989 and 1994 respectively. Another feather in the cap of the institution was starting of M.Ed. regular course in 2000, which is affillated to Rani Channamma University Belagavi. Karnataka State Open University study centre was also sanctioned for B.Ed and M.Ed. progamme in 2000-01.

Infrastructure : The College has a spacious building complex which provides adequate accommodation for class rooms. Lecture halls, laboratories, library and administrative blocks.

Library: The College has developed a rich library with more than 14 thousand volumes on its racks. The collection comprises of references on core papers. Method papers and optional papers both in Kannada and English medium. The collection includes Text books, Reference books, encyclopedias, Dictionaries, and research survey books etc., related to both B.Ed and M.Ed courses. The library has subscribed for more than 20 National and International Educational Journals which are of immense use to students as well as teachers.

Laboratories: The College has made provision for separate science laboratory, Psycho Lab, Educational Technology lab, Computer lab and Language lab for the benefit of students and teachers.

Science lab: This laboratory is equipped with all the necessary apparatus, equipment, Chemicals, models and specimen needed for the teacher trainees to practice their demonstrations and experiments. These equipments are provided to teacher trainees for practicing lessons.

E.T.Lab: The college has an educational technology lab which is equipped with the technological gadgets such as OHP, VCD, T.V., Slide Projector, camera, LCD Video and Audio cassettes, etc. which are regularly used by the staff members and by the student teachers.

Computer Lab: There is a well equipped computer lab with 10 Computer and all the necessary accessories, Internet facilities and soft ware required for the conduct of practical classes. Exposure to practical component is a compulsory part of B.Ed. course.

Language Laboratory: A well equipped language lab is being setup. This is especially useful for language teachers to train their students in language skills.

Hostel Facilities: Hostel accommodation for Girls is made available in B.L.D.E.A's main campus which is situated near by the college. Those who wish to reside in the Hostel should apply to the Principal in the prescribed form along with fees, after taking admission

PROGRAMME OUTCOMES (B.ED.)

- To help students discover and appreciate their unique vocation in society.
- To create a learning environment which integrates theory and practice
- To nurture, in particular, the values of peace, justice, equality and fraternity.
- To enable students to understand and cater to the needs of a diverse student population.
- To encourage students to become catalysts of social transformation
- To revitalize education through collaboration with different organizations and universities
- To provide prospective teachers with a stimulating and catalytic environment that is both futuristic in outlook and holistic in perspective for the achievement of excellence.
- To provide theoretical knowledge interwoven with a repertoire of pedagogical practices, hands-on teaching experience and the inclusion of technology as a teaching and learning tool.
- To draw out latent talents and creativity through varied co-curricular programmes.
