Dear Delegates,

BLDE Association's JSS College of Education, Vijayapur gladly invites you for 5 Days online national level workshop on "online tools for Teaching, Learning and Evaluation" from 09/06/2020 to 13/06/2020.

### About B.L.D.E. Association

Rijapur Lingayat District Educational Association was established a century ago in 1910 by Philanthropists, men of letters and men with vision to expand education to the people of North Karnataka like Vachana Pitamaha Dr.P.G.Halakoti, His Holiness Sri. Sangana Basava Shivayogi of Buntanah and their disciples.

In all spheres of academic services the association has witnessed a splendid growth under the vigilant and dedicated services of Late Sri.B.M.Patil who was then the General Secretary of the association and minister in Government of Karnataka.

Under the dynamic leadership of Sri.M.B.Patil the President of the association, Chancellor BLDE University, the Educational institutions are marching towards excellence. The Association embraces more than 70 institutions under its wings from primary to PG courses. Medical, Engineering, Law, Education, Management etc.... To add a feather to its cap, the medical college has been given the status of a University. It runs a 1500 bedded hospital with a research centre. BLDE is proud and in a position to provide and favor as it is imparting quality education to the students of North Karnataka.

### About Our College:

The JSS College of Education, Vijayapur was established in 1980. It is permanently affiliated to Ram Channamma University, Belgavi and reaccredited at 'B' level by NAAC. It has also get permanent recognition by NCTE, New Delhi. The college offers UG as well as PG course in education. The College is having a Research Centre. It has team of experienced, well qualified and dedicated staff. The college has well equipped labs, library, Internet facility etc., The students engage themselves in curricular as well as co-curricular activities throughout the year. The college encourages holistic development of the students.

### About FDP

In this pandemic corona lockdown period all educational institutions shifted their academic activities towards online mode. Most of higher education institutions providing education by using online applications which are familiar with the faculty but there are plenty of online tools which helps to teacher in teaching and evaluation and also some applications helps to students to learn without teacher. In this programme we are trying to provide a platform for both resource persons and teachers to get more knowledge about online platforms of teaching, learning and evaluation.

Experts in the field of educational technology and information and communication technology will share their knowledge and experience with demonstration, and there will be hands on exercise to practice the knowledge after each technical session.

Credit Based Choice System (CBCS) is an innovative educational model that offers flexibility and a learner-centric approach to education. It allows students to choose courses based on their interests and career goals while earning credits for each course completed.

**Objectives of the Professional Development Programme**

- Provide advanced training to improve teaching methodologies and classroom management.
- Encourage faculty and students to engage in research activities and publish their findings.
- Offer courses and activities that promote overall personal and professional growth.
- Allow students to tailor their educational experience to their interests and career aspirations.
- Promote cross-disciplinary knowledge through a wide range of elective courses.

**Programme Structure**

- Fundamental courses essential for all students.
- A variety of courses from different disciplines allowing students to choose based on their interests.
- Courses aimed at developing specific professional skills.
- Opportunities for students to engage in action research and dissertation work.
