COVID-19 test camp at BLDEA'S JSS College of Education, Vijayapur, held on 11th December 2020, aimed to achieve the following

**Objectives:**

1. To identify and isolate COVID-19 positive cases at an early stage to prevent the spread of the virus within the college and the surrounding community.
2. To educate students, faculty, and staff about the importance of regular testing, symptoms of COVID-19, and preventive measures to curb the spread of the virus.
3. To ensure adherence to COVID-19 safety protocols such as social distancing, wearing masks, and sanitization within the campus.
4. To monitor the health status of the college community and provide necessary medical advice and support to those in need.
5. To extend support to the local healthcare system by contributing to the overall testing and tracking efforts within the region.

**Report:**

Participants:

- Students
- Faculty
- Administrative staff
- Local residents

**Activities:**

- 1) Participants were registered and screened for COVID-19 symptoms, including temperature checks and health questionnaires.
- 2.) Nasal and throat swab samples were collected from the participants by trained healthcare professionals following strict safety protocols.
- 3) Informational sessions were conducted to educate participants on COVID-19 symptoms, preventive measures, and the importance of testing and isolation.
- 4) The entire testing area was regularly sanitized to ensure a safe environment for both participants and healthcare workers.

**Environment Day-Plantation of Saplings -06-06-2022**

**Objectives of the Environment Day Tree Plantation Event**

1. Educate students and faculty about the importance of trees and the environment.
2. Contribute to reducing carbon footprint by planting trees, which absorb carbon dioxide.
3. Create habitats for various species and enhance the local ecosystem.
4. Increase green cover to improve air quality around the campus.
5. Encourage participation from students, faculty, and the local community in environmental conservation efforts.
6. Support sustainable development goals by integrating environmental conservation into educational activities.

**Report on the Environment Day Tree Plantation Event**

On 6th June 2022, BLDEA'S JSS College of Education, Vijayapur, celebrated Environment Day with a tree plantation drive on the college premises. The event aimed to raise awareness about environmental conservation and contribute to a greener, healthier planet. Students from various programs participated enthusiastically. Faculty members actively participated and guided the students.

**1. Opening Ceremony**

- The event began with a brief inauguration ceremony, where the principal of the college Dr B.Y.Khasnis and Guest Dr Anuradha Tanksali and Shri Ambadas Joshi emphasized the importance of trees and environmental conservation in his speech.

**2. Tree Plantation**

- Participants were divided into groups and assigned different areas on the campus for planting.

**3. Educational Session**

- An educational session on the benefits of trees and sustainable practices was conducted by an environmental expert.

**4. Pledge**

- Participants took a pledge to care for the saplings and promote environmental conservation in their daily lives.

### Outcomes

The plantation of 25 trees significantly increased the green cover on the college campus. The event successfully raised awareness among students and community members about the importance of environmental conservation. The collaborative effort fostered a sense of community and shared responsibility towards the environment. The educational session provided valuable insights into sustainable practices and the role of individuals in combating climate change.

### Conclusion

The Environment Day tree plantation event at BLDEA'S JSS College of Education, Vijayapur, was a resounding success. It not only enhanced the campus's green cover but also instilled a sense of environmental responsibility among participants. The college plans to continue such initiatives in the future to promote sustainable development and environmental conservation.
