

Report on induction program on program learning outcomes and course learning outcomes for prospective teachers. induction given by Dr.j.s.pattanshetti, venue Bldea's j.s.college of Education vijayapur.

Date: [29-5-2024]

Venue: BLDES J.S.S. College of Education P.G.studies in Education and Research centre Vijayapur.

Presenter: Dr. J.S. Pattanshetti

Introduction

On [29-5-2024], BLDES J.S.S. College of Education in Vijayapur hosted an induction program on Program Learning Outcomes (PLOs) and Course Learning Outcomes (CLOs). The session was led by Dr. J.S. Pattanshetti, an expert in educational methodologies and outcomes-based education. The primary aim of the program was to familiarize educators with the frameworks and practices essential for defining and assessing learning outcomes effectively.

Objectives of the Induction Program

1. **Understanding Program Learning Outcomes (PLOs):**
 - Definition and significance
 - Developing PLOs aligned with institutional goals
 - Methods for assessing and evaluating PLOs
2. **Understanding Course Learning Outcomes (CLOs):**
 - Definition and importance
 - Formulating CLOs that contribute to achieving PLOs
 - Techniques for measuring and assessing CLOs
3. **Integration of PLOs and CLOs:**
 - Aligning course objectives with program goals
 - Ensuring coherence and relevance in curriculum design

Key Highlights of the Session

1. **Introduction to Learning Outcomes:**
 - Dr. Pattanshetti began the session with a comprehensive overview of what learning outcomes are and why they are crucial for educational effectiveness. He highlighted how PLOs represent the broader objectives of a program, while CLOs are more specific and pertain to individual courses.
2. **Developing Program Learning Outcomes:**
 - The process of defining PLOs involves identifying the skills and knowledge that students should acquire by the end of the program. Dr. Pattanshetti emphasized

Vijayapur

Principal,
J.S.S. College of Education
VIJAYAPUR.

the importance of aligning PLOs with institutional missions and industry standards to ensure that graduates are well-prepared for their professional roles.

3. Formulating Course Learning Outcomes:

- CLOs should be specific, measurable, achievable, relevant, and time-bound (SMART). Dr. Pattanshetti provided practical examples and exercises to illustrate how to write effective CLOs that align with PLOs.

4. Assessment Techniques:

- Dr. Pattanshetti discussed various methods for assessing PLOs and CLOs, including formative and summative assessments. He stressed the importance of continuous assessment and feedback to ensure that learning outcomes are being met.

5. Integration and Alignment:

- The session covered strategies for aligning course content and assessments with the overarching program objectives. Dr. Pattanshetti demonstrated how to map CLOs to PLOs to ensure coherence throughout the educational program.

Conclusion

The induction program conducted by Dr. J.S. Pattanshetti provided valuable insights into the development and implementation of Program Learning Outcomes and Course Learning Outcomes. The session equipped student teachers with practical tools and techniques for enhancing their curriculum design and assessment strategies. By aligning PLOs and CLOs, student teachers can better ensure that their programs meet educational standards and prepare students effectively for their future careers.
